

Earn good pay & do something
meaningful for our people

Call the Local Census Office or 1-888-325-7733 now!

It's important that all people are counted accurately in **Census 2000**. Our community's future, our representation in Congress, our share of government support to roads, schools, health care and other services depends on this. Apply for one of the **Census 2000** jobs now. Census takers work at least 20 hours per week for approximately four to six weeks. No special experience is required to apply. You'll be paid a good hourly wage, get mileage reimbursement and on-the-job training. Best of all, you can work flexible hours in your community. We need you. Call now!
